

Appl. No. 10,628,181

Amdt. Dated 29 November 2005

Reply to Office action of 16 November 2005

REMARKS/ARGUMENTS

Applicant notes the new requirement for restriction and the indication that Applicant's previous amendment and remarks (which are not repeated herein) will not be considered until the new requirement for restriction has been addressed.

Applicant also notes that Applicant made a typing error in claim 1 of the prior amendment. This is the reason for the present amendment of claim 1.

With respect to the requirement for restriction, Applicant elects, without traverse, Species A, claims 1-8, 10-11, and 13-32.

Respectfully submitted,
